Real estate taxes have been reduced 17 percent on the 67-unit prewar loft conversion by the Kumkang Housing Corporation. Residences include studios and one- and two-bedroom units, as well as three-bedroom penthouses, which range in size from 700 square feet to 2,035 square feet. Prices start at \$895,000. Each condo features dark walnut stain flooring, up to 12-foot ceilings, and appliances by Miele, Sub-Zero and Thermador. The building also has a 24-hour doorman, gym and open-air rooftop with a 3,600-square-foot common garden and views of the Empire State Building. Core Group Marketing is the agent.
